Georgia Applicant Processing Service (GAPS) Information

The Georgia Crime Information Center (GCIC) is responsible for processing fingerprint based criminal history record checks for employment/licensing purposes. In an effort to provide more timely responses, GCIC has partnered with Cogent Systems for the implementation of the Georgia Applicant Processing Service (GAPS). GAPS provides agencies submitting fingerprint cards for employment record checks with the option to have applicant background checks processed electronically. This process will provide timely search results and decrease rejections due to poor fingerprint quality of inked fingerprint cards.

Fixed GAPS offices will be located throughout the state so that GA residents will not travel more than 25 miles to a GAPS location for fingerprinting services.

Search results & criminal history records or “rapsheets” will be available for the agency to retrieve directly from the GAPS website within 24-48 hours after the applicant is fingerprinted and the transaction submitted to GCIC. A service fee is charged by the vendor, but fingerprint checks which are authorized for an FBI check may receive a reduced fee for electronic submissions.

Pre-Service candidates must submit fingerprint results with their application to meet the state requirements for attendance to a basic law enforcement academy. The following steps must be completed by the candidate using GAPS:

**Step 1:** Go to the website: [www.ga.cogentid.com](http://www.ga.cogentid.com) to determine the nearest GAPS location by looking under the heading “GAPS Print Site Locations.” Then click on “Print Locations & Hours” to find a location. Also, click on “What to Bring” to know what you will need.

**Step 2:** Next, go to the header, “Registration”, & click on “Single Applicant Registration.” This will begin your registration & payment process.

**Step 3:** Complete the web form with your personal data and payment information. Please use the following information for the fields – Reason, ORI/OAC, & Verification Code in this web form:

- **Reason:** POST Pre-Service Student
- **ORI/OAC:** GAGSP0007
  *(Please note that this field is case sensitive so use capital letters. The three digits before the “7” are zeros.)*
- **Verification Code:** gpostcouncil
  *(Please note that this field is case sensitive so use lowercase letters.)*

**Step 4:** Print Step 4 on the screen to attach to your application. It should have at the top – Applicant Registration, Step 4 – Registration Complete, Thank you for Registering. You will need to keep a copy for your records also.

**Step 5:** Go to the GAPS location at your scheduled time & get fingerprinted. The GAPS location will provide the necessary fingerprinting service.

Please note that it takes a minimum of 48 hours for POST Council to review the results. In some instances, it may take longer. Prints may be rejected for a variety of reasons by the FBI or GBI such as characteristics of low quality. These types of rejections are not common. If this occurs, a request for a second submission by the FBI may occur. See Cogent System information for how to handle if rejected and if costs apply. When results are available to POST staff, the results will be printed and attached to your application for completion of the POST application process. Please do not contact POST directly regarding the status of your prints. You will need to direct all questions to the academy that is submitting your application. If you need further assistance with the GAPS service, you can call the GCIC Helpline at (404)-244-2639 –”OPTION 2” or via e-mail at GAAapplicant@gbi.state.ga.us.
