Reminder: Entrance Exam Results to be Printed by Agencies

Effective September 1, 2007, results for Entrance Exams will not be mailed directly to agencies. Agencies will be able to print results directly from the POST web site (www.gapost.org) using their agency access code effective immediately. Go to the **Agency Reports** tab from the POST home page, scroll down to available agency reports, and click on **Print Entrance Exam Results**. Agencies will have to enter their **Department Code**, **Access Code**, and the **Candidate's SS#** and **Candidate's DOB**. Please submit this printed form with the candidate's POST application. If you need an access code, please submit your request from the web site under **"Click here to submit a request for an access code"**.

Reminder: Agencies Submitting C-11 Forms

Many C-11 forms have been received without an agency identified on the form. Please remember to put the agency name in the appropriate field so the forms can be processed.
